April 15, 1976

J. W. B.

Mr. Donald H. Noren, Director  
Environmental Health Administration  
Department of Health and Mental Hygiene  
State of Maryland  
201 West Preston Street  
Baltimore, MD 21201

Dear Mr. Noren:

This letter is to confirm analytical test data provided verbally to Mr. S. Morekas at the beginning of the Subcommittee meeting held on the morning of April 14, 1976. The data tabulated in the attachment represents analysis by Allied Chemical of samples collected by the State on March 18, 1976 from Swann Park (collected by Messrs. Miller and Mace), samples collected on March 23, 1976 from the baseball diamond in Swann Park (collected by Mr. Preece), and samples of the surface soil from the field on March 19, 1976 (collected by Allied Chemical personnel).

Should there be any questions, please feel free to contact the undersigned.

Very truly yours,

A handwritten signature in cursive script, appearing to read 'W. M. Reiter'.

W. M. Reiter  
Associate Director  
Pollution Control  
Corporate Environmental Services
