Federal Agency Releases Health Report on Swann Park

June 14, 2007—The Agency for Toxic Substances and Disease Registry, a sister agency to the Centers for Disease Control and Prevention, has released its Health Consultation report about health risks posed by contaminated soil in Swann Park.

The 22-page report is online at <http://www.baltimorehealth.org>. Also posted is a three-page summary of the report's main findings.

Scientists from the Agency for Toxic Substances and Disease Registry will present the report and answer questions tonight, Thursday, June 14, at Digital Harbor High School at 6:30 p.m.

The agency is accepting public comments on the report through July 30, 2007.
